Important Academic Dates

Akal University | Student information guide | Updated 31 October 2026

1. How to read this calendar

Akal University's academic and examination dates are published in session-specific academic calendars, date sheets, announcements and circulars. This document is a tracking guide, not an official University calendar. Verify each date in the linked original notice and check for revised versions before making plans.

2. Convocation date on record

Event	Published date	Status as of 31 October 2026	Source
5th Convocation and Alumni Meet	19 April 2026	Past event; use only as historical information	[2026 event page](https://auts.ac.in/announcement/alumni-meet-and-convocation-2026/)

The 2026 event page linked registration, attendance guidelines, eligible degree recipients and medal lists. The published date has passed. No later convocation date was confirmed in the sources reviewed. Do not reuse the 2026 registration form or deadlines.
